We Heard You! How ISASS is changing to reflect past concerns:

Accessibility — The Exhibit Hall and General Session rooms are adjacent to each other to ensure attendees don't have to travel far to visit the exhibits.

Ample time — We have included extra break times, lunches and a Course Reception all hosted in the Exhibit Hall with no other agenda items happening simultaneously.

Location — The Loews Miami Beach is one of the best in Miami and the Miami International Airport is easily accessible from within the US and around the world.

Frank Phillips, MD

“This year’s ISASS Annual Conference is going back to its roots, with a focus on new technology and techniques, international views, and practical tips and tricks. I think it will be one of the most clinically relevant meetings, with engaging lectures, debates and case discussions, that I’ll attend all year.”

“The scientific program is very attractive and embraces all major spinal pathologies. The new congress setting promotes outstanding discussion between surgeons from all over the world. I also believe that the Loews’ Hotel in Miami has an irresistible charm: therefore you cannot miss this great event!”

Massimo Balsano, MD

Morgan Lorio, MD

“ISASS represents the best in spine innovation, spine surgeon support and spine patient access.”

RULES AND REGULATIONS

INTERPRETATION OF RULES

The following Rule and Regulations are part of the contract between the exhibitor and ISASS. All matters not covered in these Rule and Regulations shall be referred to ISASS for adjudication and the decision of ISASS shall be final. These Rules and Regulations may be amended at any time by ISASS and all the amendments made shall be binding upon the exhibitor equally with these Rules and Regulations, and shall become a part thereof, providing the exhibitor is notified of the amendments. Notice may be verbal or in writing before or during the ISASS Annual Conference and may be given at any authorized agent or representative of the exhibitor.

BOOTH ASSIGNMENTS

Booths will be allocated on the following basis: number of booths requested, corporate support dollars contributed to the 2021 Conference, date of receipt of application, and space availability. ISASS reserves the right to change the exhibit floor plan if conflict arises regarding space requests or conditions that are beyond ISASS's control. ISASS reserves the right to locate exhibitors demonstrating loud apparatus, conducting odor-producing activities or containing other disagreeable features in the area where the noise or aroma will not interfere with other exhibits. Show management (ISASS Conference Planning Office) reserves the right to determine at what point sound, odor, etc. interferes with others and must be discontinued. Exhibitors with such equipment must agree to accept space assignments, which will abate reasonable objections to these annoyances.

BOOTH CONDUCT

ISASS reserves the right to approve all exhibits and activities related thereto. ISASS may require that an exhibit be curtailed if it does not meet the standards set forth herein, if it reflects against the character of the Annual Conference or if it exceeds the bounds of good taste as interpreted by show management. An exhibitor of questionable exhibit or activity relating thereto must submit a description of the exhibit or activity with the exhibit application approval. Inspection of the exhibit area will be made during installation hours. An effort will be made to advise exhibitors of any deviation from the rules at that time. Exhibitors must make all corrections requested by show management at their own expense or risk removal from the exhibition without notice and without obligation on the part of the ISASS for any refund whatsoever. ISASS reserves the right to expel or refuse admittance to any representative whose conduct is, in its opinion, not in keeping with the character and/or spirit of the Annual Conference. Exhibit personnel may not enter another exhibitor's booth without obtaining permission. Lingering in the aisles surrounding another exhibitor's booth for the purpose of obtaining product information or distracting other booth personnel is strictly prohibited and may be cause for expulsion. An exhibit booth may not be photographed or videotaped without the permission of the legitimate occupants of that booth. ISASS does not in any manner endorse any of the products or services related to the exhibits, which have been accepted for display during the Annual Conference. Exhibitors may not sell any food or beverage on the exhibit floor. Distribution of any literature outside of an exhibitor's own space is prohibited. No procedures may be performed on any live tissue on the exhibit floor.

BOOTH CONSTRUCTION AND ARRANGEMENT

All parts of displays must be finished so as to present an attractive appearance when viewed from the aisles or from adjoining exhibits. Two-story booths are not permitted. Signage may not be higher than 8 feet. Booths must maintain a 50% see through to avoid excessively blocking the view of other exhibits. Exhibits may not exceed 8 feet along the back panel, and side panels may not rise above 3 feet 6 inches for more than 3 feet.

CHILDREN

Children under 18 years of age will NOT be permitted to enter the exhibit area at any time during the conference, including the installation and dismantling of exhibits.

CONTESTS, RAFFLES, AND DRAWINGS

Contests, raffles, and drawings are not permitted at the 2017 ISASS Annual Conference.

DEMONSTRATION AND LIABILITY

Exhibitions, demonstrations or distribution of promotional materials by the exhibitor must be confined within the bounds of the exhibitor's assigned exhibit space and shall not interfere with aisle space. If the premises of the facility are defaced or destroyed by the exhibitor, its agent, or representatives, the exhibitor will be liable to the facility for such an amount as shall be deemed necessary for restoration to the previous condition. No representative of The Loews Miami Beach Hotel has been or is authorized to make any representation, which varies from the express terms of this contract, though the contract may be supplemented in writing. In any legal action or arbitration or other proceeding brought on account of a breach of any provision of this Agreement, the prevailing party shall be awarded its attorney's fees and other cost incurred in such action or proceeding, in addition to any other relief to which it may be entitled. Any modifications or changes to this Agreement must be made in writing, and signed by both parties hereto.

DISTRIBUTION OF PRINTED MATERIALS AND CANVASSING BY INDUSTRY

Canvassing in any part of the facilities used by ISASS (The Loews Miami Beach Hotel) is strictly forbidden and anyone doing so will be asked to leave the conference. Distribution of advertising or printed material by the exhibitor outside the exhibitor's allotted space will not be permitted unless the distribution or advertising is organized by ISASS.
